MEET THAKKAR

India

Dental Hygiene

Recent graduate Meet Thakkar maintained a perfect GPA of 4.0, was class representative for his program, and was the first international student representative on the College's Board of Governors. While at Cambrian, he also received a scholarship recognizing his student leadership from The College Student Alliance (CSA), was featured in International Student Voice magazine for his academic achievements and extra-curricular activities, and won a national student essay contest. Meet continues to volunteer as a peer tutor on campus and at a local church.

"I wanted to immerse myself into the community to learn what Canadian culture is about; I wanted to excel in each aspect of college, not just the academics. Cambrian provided me with endless opportunities. My leadership skills flourished, and I achieved a new level of self-confidence."
