All vehicles parked on the premises must clearly display a valid parking permit, pay and display receipt, or have an active HotSpot Parking virtual permit. All vehicles that are parked without a valid form of parking payment will be ticketed. Unpaid fines may result in the vehicle being immobilized. Unpaid tickets will be sent to collections.

Parking regulations for Cambrian College were established to encourage the safe, orderly, and equitable use of the parking spaces that are available to students, staff, faculty, and visitors on campus.

It is important to remember that both the operation of a vehicle on Cambrian College property and parking on the property are privileges that have been granted by the College. Please be respectful of these privileges.

There is a drive loop in front of the main doors of the campus that can be used as a drop-off area. Vehicles must not be left unattended in this area.

EXPRESS PARKING SPACES

There are designated 15-minute express parking spaces on the right-hand side of the pick-up/drop-off loop at the main entrance. These spaces are monitored by Campus Security and are to be used for short-term stopping only. Tickets will be issued if the vehicle is left for longer than 15 minutes.

ACCESSIBLE PARKING

Those in possession of a Ministry of Transportation Accessible Parking Permit should only park in designated accessible parking spots and must clearly and visibly display the Ministry permit, along with a Cambrian College parking permit or pay and display receipt.

Failure to comply with the Parking and Traffic Regulations may result in fines, towing, wheel immobilization, and/or cancellation of parking privileges.
