

Mental Health and Addictions Services During COVID-19

IMPORTANT

- **ALL** Health Sciences North Mental Health and Addictions services (MHA) remain **OPEN**.
- We are meeting with clients through **VIRTUAL** or **TELEPHONE** appointments wherever possible to maintain physical distancing.
- If this is **NOT** possible we will continue to see you **IN-PERSON**, especially for Inpatient care, Withdrawal Management Services and Crisis Services.
- Patients who visit our mental health and addictions services will be asked questions about their health as part of **screening for COVID-19**.
