

Cambrian College Foundation Board of Directors – Delegation to CEO (Board-Staff Relationship)

Original Date Approved: October 4, 2018

Date Reviewed by Governance
Committee: May 8, 2020

Date Revised:

1. Delegation to CEO

The role of the Cambrian College Foundation Board is to support the Foundation in achieving its purpose, which is to attract, and steward donor and partner investment in support of student success and other priority needs of the College that are in alignment with the College's strategic direction. The Executive Director will work collaboratively with the Cambrian College Foundation Board of Directors to achieve these strategic outcomes.

The Executive Director has the responsibility for the general management and direction of the business of the Cambrian College Foundation and may exercise the other powers that are conferred on the Executive Director by the by-laws. More specifically, the Executive Director is the chief executive officer of the Cambrian College Foundation and as such shall:

- a) be charged with the general direction, supervision and control of the business of the Cambrian College Foundation;
- b) sign all instruments which require the Executive Director's signature;
- c) perform all duties integral to the Cambrian College Foundation's office.
